

“ After over twenty two years as an MP serving the people of the Daventry Constituency, I am now 67 and it has come to that time when I feel I should retire. I have enjoyed every minute - it can only be called a privilege.

I have worked very closely with Andrea since she was selected to be our Parliamentary Candidate and have been amazed at her tireless commitment to the needs of this area. Good Luck Andrea!

Tim Boswell MP  
Daventry

“ Andrea and I are already working closely together for the benefit of Northamptonshire residents and I believe she would make an excellent MP.

Brian Binley MP

*Andrea Leadsom... The Local Choice*

*Hello,*

We are now only a few months away from the most important General Election in a generation. At that election, you will be a part of the new constituency of South Northamptonshire.

I have been the candidate here since 2006 and during that time I have met hundreds of local residents. I have visited many of our schools, businesses and charities as well as campaigned on dozens of issues such as to stop plans to build on green field sites to the South East of Northampton, to prevent closure of our rural post offices and to save critical bus services.

I have also set up a Job Club in Towcester to help local people back into work and a Schools Twinning Project with Uganda to give our teenagers a chance to visit and work with students in another culture.

My husband and I live locally with our three children and we are fully committed to serving the needs of South Northamptonshire.

It is time for a change of Government. The Conservatives are full of ideas to get Britain working again and to support businesses through this difficult time.

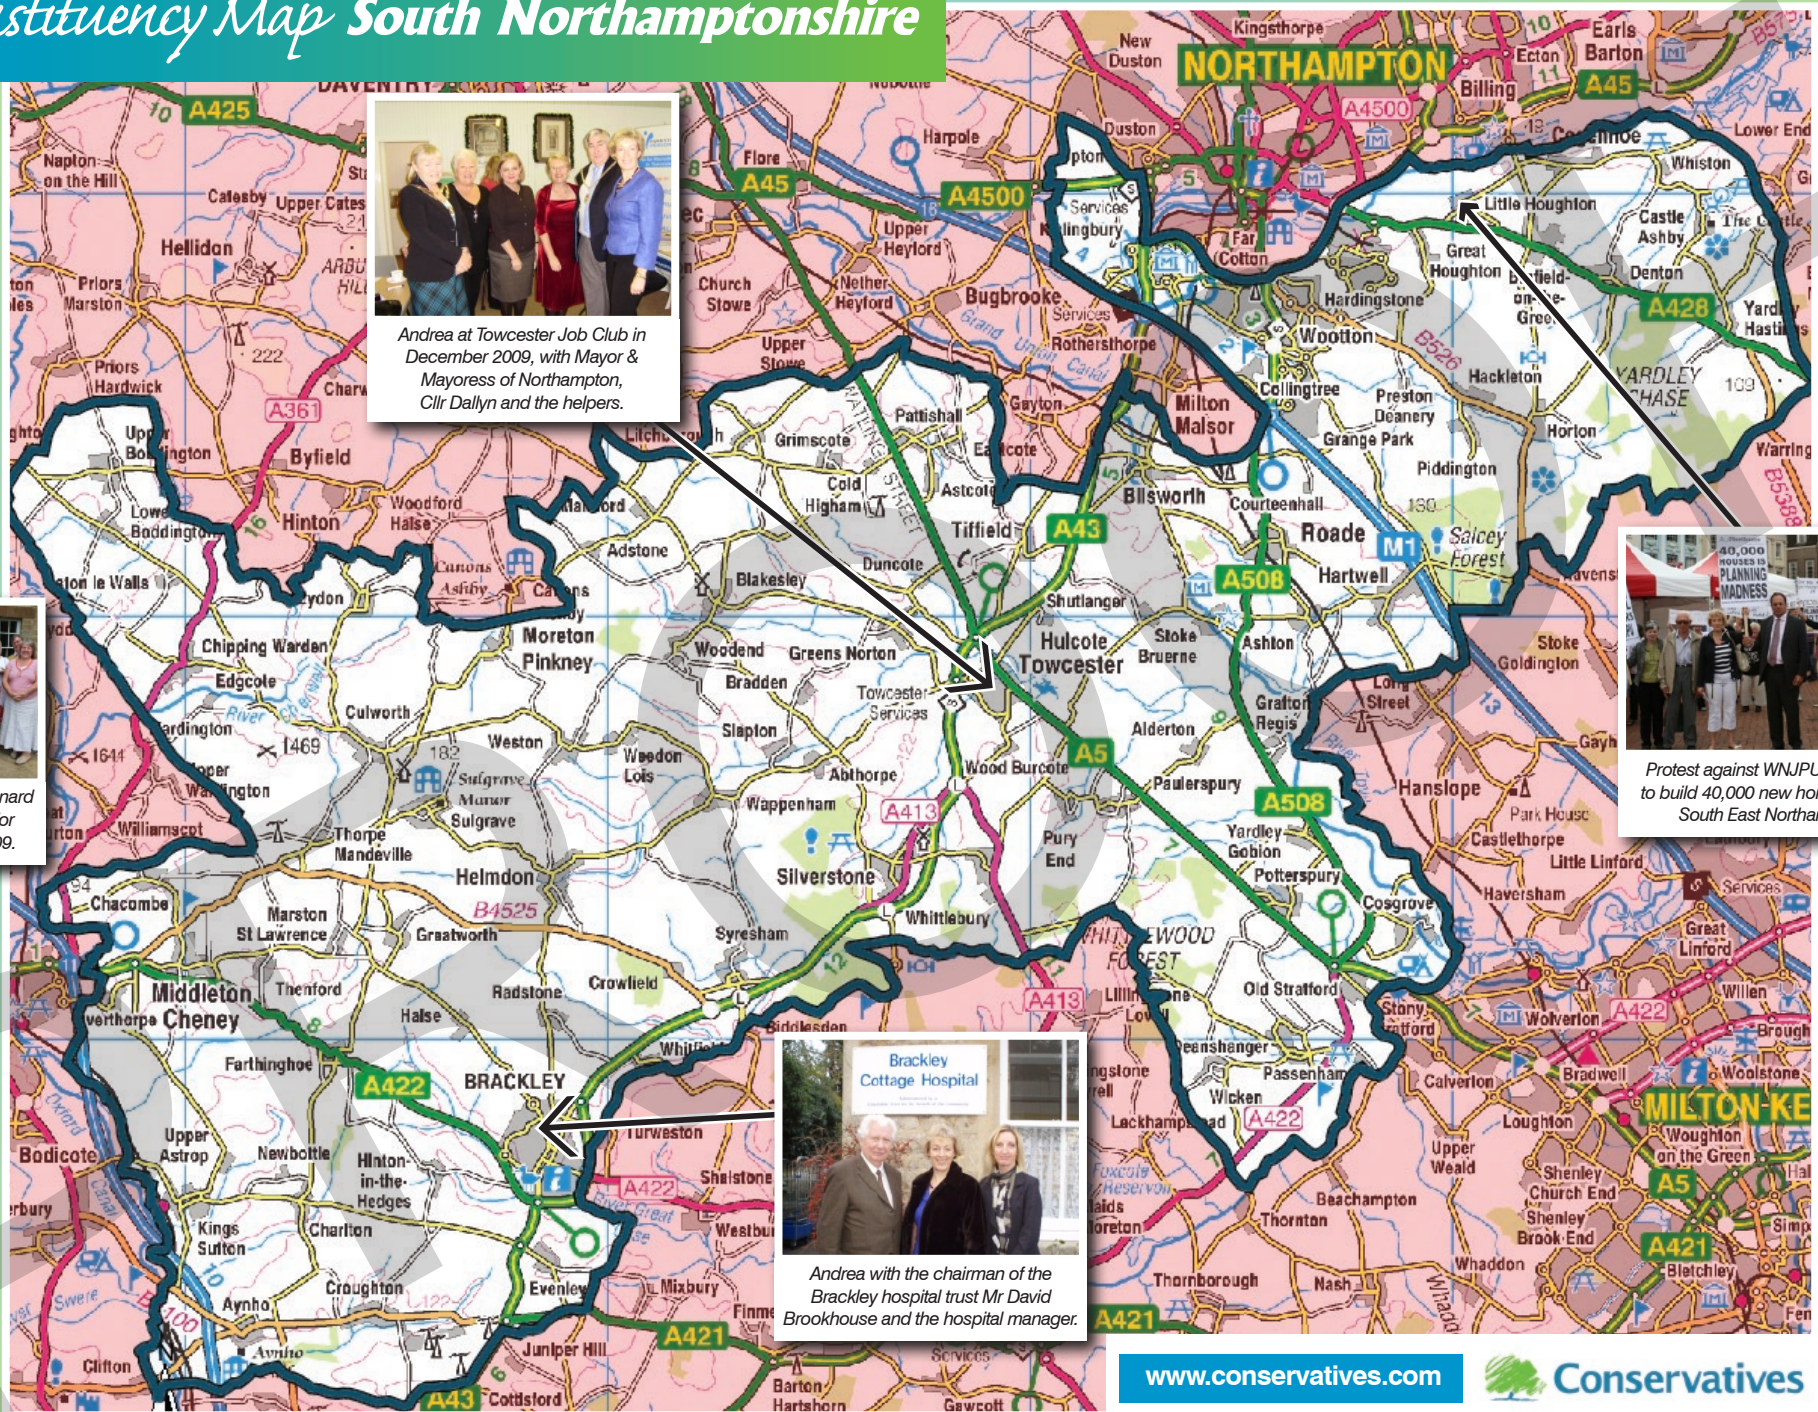

Please give me a chance to represent you by voting 'Conservative.'
