

THE 1922 COMMITTEE

HOUSE OF COMMONS
LONDON SW1A 0AA

GRAHAM BRADY MP
CHAIRMAN

11th July 2016

Dear Andrea,

Thank you for your letter telling me that you have decided to withdraw from the Conservative Party leadership election. I know that this has been a very big and difficult decision. I also know from our conversation last Thursday evening that you had been weighing this up since hearing the result of the second ballot of the parliamentary party. It is obvious that throughout this process you have behaved honourably and have been motivated solely by the public interest.

Please accept my thanks for everything that you have done — and for your conduct throughout the campaign. You have an enormous amount to offer our party and our country.

Yours ever,
